

Attached you will find several documents. First is the Winter Spring Calendar for ESA. In this calendar I have added all the classes that are in the SCFA Catalog for Jan.-June 08'. Please pay close attention to where the registration forms go, not all forms come to ESA. If it is a SCFA catalog course send the registration form to SCFA Columbia! Do not fill out SCFA forms for First Responder and CPR/First Aid courses, they have a different registration form attached and should be sent to ESA! SCFA cares nothing about and has nothing to do with the medical classes we offer! All registrations for classes on the calendar must be returned 2 weeks prior to the start of the course and no registrations will be accepted after this deadline. The only exception is for the Spartanburg County Rookie Firefighter School, that registration must be returned by Feb. 18th, 2008. I have also attached the SCFA registration form. This is a pdf. file and can be completed on a computer, then printed and signed. I would prefer this method of filling out the registration form due to some forms being returned with handwriting that cannot be read.

You will also find a flyer for the Spartanburg County Rookie Firefighter School. This school will be held here at ESA and will be Mon. - Fri. 8a-6p from March 17th to May 2nd. All students registering for the school will be required to attend all courses during the school regardless if they have completed any of the courses offered in the past. The student must pass each course to continue or they will be removed from the school. Each student will have 2 chances to complete each course! The registration fee will not be refunded if the student fails to complete the school, no matter how far along the student is. There will be a minimum of 12 students and a maximum of 20 and there has already been some positive feed back from entire upstate area so get the registrations in as soon as possible.

If you have any questions please feel free to call me at ESA, 439-6329
